Project Writing: Tips and Tricks

Wednesday 6/10/2021 h 10.00-12.00 and Wednesday 13/10/2021 h 10.00-12.00

*Ethics and Research Integrity Unit
Directorate of Research Services
University of Trento*

The module targets PhD students in the social sciences and humanities area and it aims to provide participants with:

- knowledge of the basic structure and the main functioning of research funding programmes, with the focus being on Horizon Europe, the EU new Research and Innovation Framework programme (2021-2027);
- understanding of the application process for research project calls, with the focus being on the MSCA Postdoctoral Fellowships call, which will be taken as a test bench in order to achieve an improved ability to tailor research aims and questions in light of the standard evaluation criteria (Excellence, Impact, Implementation) which will be thoroughly presented and discussed;
- introduction to fundamental tenets of European project writing: GDPR and Privacy; European Open Science; Ethics and Research Integrity; Science Communication.

The workshop will be held online via zoom platform
